

The Online Submission system for the journal has gone LIVE and ready to accept submissions.

The official website for Memetic Computing is <http://www.springer.com/journal/12293>.

You can submit your manuscripts to <http://www.editorialmanager.com/meme>

Potential authors are invited to submit original research articles for publication consideration. Papers accepted for publication will first appear in the electronic version before being published in the print version.

In preparing your manuscript, you may wish to note that Springer accepts electronic multimedia files (animations, movies, audio, etc.) and other supplementary files to be published online along with the accepted article.

The first issue of the electronic version is expected around September 2008 while the first issue of the print version is expected in January 2009.

For instructions on preparation of manuscripts, kindly refer to the journal's website.
