

Call for Workshop Proposals - Submission Deadline: April 30, 2009

World Congress on Nature and Biologically Inspired Computing (NaBIC 2009)

December 9-11, 2009

Coimbatore, INDIA

<http://www.mirlabs.org/nabic09/>

Technical Society Involvements:

- IEEE Systems, Man, and Cybernetics Society (TC on Soft Computing)
- International Fuzzy Systems Association
- International Neural Networks Society

All accepted papers will appear in conference proceedings published by the IEEE Computer SOCIETY and indexed by both EI (Compendex) and ISTP

Proposals for holding one day workshops that will complement the main conference are solicited from interested organizers. The intended workshops should fall within the scope of NaBIC'09. Researchers and practitioners wishing to organize workshops should submit proposals in plain text or pdf-format. Proposals should be written explicitly with the following information:

Workshop Title

Duration of the Workshop

A Technical Description of the Workshop Topic area

A Brief Statement of the Relevance of the proposed Workshop to NaBIC'09

Composition of the Organizing Committee,

Composition of the Program Com-mittee

Tentative Dates for Submission and Notification of Acceptance.

The proposals will be evaluated by the Workshop Chair of NaBIC'09. The information about the accepted workshops will be included in the NaBIC'09 web site as well as links to the call for papers and call for participation.

Please submit your proposals to the workshop chair to Dr. Daniela Zaharie at dzaharie@info.uvt.ro

Important Dates

Proposal submission: April 30, 2009

Acceptance notification: May 15, 2009
